# HALLOWEEN

Halloween is a special holiday on October 31st. A long time ago, people believed that spirits came back on this night. They made fires and wore costumes to scare them away.

Today, Halloween is a fun holiday for children. Kids wear costumes like a witch, ghost, or monster. They go from house to house and say "Trick or treat!" to get sweets.

People also carve pumpkins and make Jack-o'-lanterns with scary faces. Houses are decorated with bats, spiders, and black cats.

Halloween is about having fun, being creative, and maybe feeling a little spooky! 🎃
